Mt Calvary Lutheran Church and Lutheran Student Fellowship Center wishes to be the “church home away from home” of those Lutheran students attending SDSU.

Our vicar, a seminary student doing his third-year internship, has responsibility for the LSF program at Mt Calvary. He devotes much of his time to the campus ministry at SDSU and is happy to visit with new students and orient them to the program here. We seek to offer our SDSU students the opportunity to get into God’s Word through worship, Bible study and group interaction.
