2009 District & Synod Mission Intention

Out of thankfulness to God for His mercies and providence upon us and our congregation, and with the desire to be faithful stewards of what He has entrusted to us for our lives, for our congregation, and for the work of His Kingdom throughout our beloved South Dakota District and to the ends of the earth, **our District & Synod Mission Intention for 2009 is the following amount**:

2009 Together In Missions (TIM) Intention

In 1994, our District in Convention (Resolution 1-02) resolved to support the mission work in Kazakhstan of Amy (Hartwig) Kashenov. Since then, every District Convention has renewed the pledge to support this special mission endeavor. Resolution 3-10 of the 2006 Convention of the South Dakota District again resolved: "That the South Dakota District of the Lutheran Church – Missouri Synod continue its "Together In Mission" support of Amy (Hartwig) Kashenov during the coming triennium at the level of $40,000 per year," and "That this support continues to be over and above the regular mission support of the congregations of the District…" To those ends, **our Together In Mission intention for 2009 is the following amount:**

$_____

The above intentions are made recognizing that we have been ***"Called into Partnership"*** with the 114 other congregations of the South Dakota District in proclaiming the Gospel of Jesus Christ in South Dakota and to the ends of the earth.
