

LSF from Brookings Busy in Kansas

The Mt. Calvary Lutheran Student Fellowship group associated with SDSU recently returned from a servant trip to Greensburg, KS. The town of Greensburg suffered an EF5 tornado on May 4, 2007. 95% of the buildings in town were flattened leaving only their foundations. The town has been rebuilding however, and the Mt. Calvary LSF sent 9 students plus the vicar to help. The students painted the interior of one house and put siding on another. It was a way to show forth the love of Christ to those who are in need of help. It was a great trip!
